

# Be a CHAMPION

*CHAMPIONs* are people who put forth the effort to make any endeavor a success.

The *CHAMPIONs* of caring are those who give of their best to make their community a better place for everyone. The SECC will recognize those givers who contribute **one-half hour's pay per check**.

These *CHAMPIONs* are the state employees who will lead the campaign to success.

Be a *CHAMPION* for the people who need your help this year. It may be a family who recently lost their home and needs help with basic necessities in order to stay together. It may be a young mother who needs day care in order to get and keep a job. It may be an adult who requires daily treatment and needs a ride to the dialysis clinic. It may be the senior citizen down the block that can be healthier and happier in their own home. People who need help need *CHAMPIONs*. You can be that *CHAMPION* this year.
